

Dunmore Primary School

Year 4 Curriculum Newsletter - Spring Term 2 2026

 Ideas for home

<p>Science – Sound</p> <p>We will be investigating sound this term, looking at how sound travels and how sounds are made. We measure sound in decibels and look at sound waves. We use instruments and equipment to investigate pitch and volume. We will be finding patterns between the volume of a sound and the strength of the vibrations that produced it.</p> <p> Does a sound change when you turn your head?</p> 	<p>History – A Local History Study</p> <p>How and why has Oxford changed over time? We will be exploring this question about the Oxford, going on a ‘quest for knowledge’ using written and archaeological sources to find out about Oxford and its history.</p> <p> Perhaps you could find out some interesting facts about Oxford?</p>  <p>History of Oxford Facts for Kids</p>
<p>Music – Recorder playing (Continued)</p> <ul style="list-style-type: none"> • Learning the melody and structure of ‘Enchanted forest’ through a combination of chanting, singing, body percussion, and playing • Rehearsing and performing the piece in small groups • Working on developing a beautiful tone, understanding beat and structure, and learning to think in musical phrases. 	<p>D.T. and Art – Viking Shoes and Icebergs</p> <p>We are making Viking shoes! We will be using templates to make paper shoes before designing our own and sewing them out of cloth.</p> <p>In art we are taking inspiration from the frozen world of Shackleton, we will be exploring icebergs in our Art lessons, using pen, pencil, charcoal and origami!</p> <p> Maybe you can try some ‘iceberg experiments’ to inspire you?</p> <p>How to Make a Mini Iceberg</p>
<p>R.E. - Community</p> <p>We will be exploring how being part of a community can influence our choices and how different people and groups can be part of communities, locally and globally.</p>	<p>Computing – Data Logging</p> <p>We will be recognising how and why data is collected over time, before using data loggers to carry out an investigation. We will explore how sensors and data loggers are used in real life applications.</p> 
<p>French</p> <ul style="list-style-type: none"> • The weather • Body parts • Food 	<p>P.E.</p> <p>Canada will be swimming and doing orienteering in outdoor adventurous activities. Mexico will be developing their hockey and football skills.</p>
<p>P.S.H.E. – Healthy Me</p> <p>We will be talking about healthy choices and lifestyles, having healthy friendships and celebrating our inner strengths.</p>	<p>Fun Fact</p> <p>The hearing of a fox is so good it can hear a mouse squeak from 100 meters away and can even hear movement from underground!</p> 

English	Maths
<p>We will read Shackleton's Journey and use this to inspire us with diary entries at various points on the journey.</p> <p>We will be using emotive language and working on using the past and present tense.</p>  <p> Ask your child about Shackleton's Journey. Can they tell you some facts about Shackleton? Or the crew? Perhaps they could tell you about some of the highs and lows of the expedition.</p>	<p>We will be working with fractions and decimals.</p> <p>We will be converting between mixed numbers and improper fractions. We will be calculating using hundredths and tenths. We will be converting between common decimal and fractions.</p> 

Important Information	
Class Homework	<ul style="list-style-type: none"> ✓ Spellings to practise at home - the test will be every Friday (copies of spellings available on year group pages of website) ✓ Times Table Rock Stars (TTRS) homework will be set on a Friday to be completed by the following Friday. ✓ Children should be reading daily at home and discussing their reading with an adult at least once a week.
