

## DUNMORE PRIMARY SCHOOL PE Premium Report 2024-25

### Background to the Primary PE and Sports Premium

PE & Sport Premium is funding provided to primary schools, in addition to main school funding. This funding is ring-fenced and therefore, can only be spent on the provision of PE and sport in schools.

### Objectives for PE and Sport Premium

- To improve the provision of PE at Dunmore Primary School; ensuring all pupils get two hours of high quality PE teaching per week
- Broaden the sporting opportunities available to pupils outside of the school day
- To develop an enthusiasm for sport by children and staff
- Decisions on how to spend the premium and ensuring improvements are sustainable and have an impact beyond the year's funding

The governing body and leadership team recognise the value of PE and school sport on promoting healthy lifestyles and the benefits to pupil's wider achievement in school. They are committed to sustaining the levels of provision that have been developed and improve on the offer. This will be achieved with the commitment to employing a PE specialist to support the CPD of teachers so that they always remain up-skilled. The school look at PE and sport as part of the wider approach to well-being and how we educate children to make healthy choices which should support them into adulthood.
