'Great to be Inspired, Inspired to be Great'

Wednesday 11th March 2026

Dear Parents and Carers

1. Parent survey summary
2. Fun Kids Club prices
3. Dandelion Day
4. NSPCC phone safety advice
5. Assessment presentation to parents

1. Parent survey

Thank you to the parents/carers who completed the parent survey on SEND provision and management of behaviour and bullying.

The responses have been summarised and are being reviewed by the leadership team, including governors. We will share with you any actions later in the year.

2. Fun Kids Club prices

From September 2026, we are changing our bookable sessions as follows:

- 7.45am to 8.45am £5.50 (breakfast included up to 8.15am)
- 3.15pm to 5pm £9.60 (snack included)
- 5pm to 5.45pm £4.00 (only available as an add-on to the previous session)

Due to increasing running costs and to improve our staffing structure, we have taken the decision to make these changes. We have researched the local market and taken those findings and our running costs into consideration, so we feel that the new structure is fair to parents and workable for the school.

3. Dandelion Day

This year we're celebrating Dandelion Day on Wednesday 15th April and we'd love you to join us! Dandelions are the official flower of the military child, symbolising the strength and resilience of children who grow and thrive wherever military life takes them.

On Dandelion Day we invite everyone to show their support for military children by wearing a splash of yellow, whether that's yellow socks, a hair scrunchie, a T-shirt or any bright accessory.

Great to be inspired. Inspired to be great.

4. NSPCC phone safety advice

Please click on this link and find out how you can navigate the parenting challenge of when to allow your child to have a phone and help them stay safe online:

[Children, phones and online safety | NSPCC](#)

5. Assessment presentation to parents/carers in Years 2 -5

Yesterday your child should have brought home their autumn assessment results for reading, writing and maths. The parent workshops on Monday went through what these assessments look like, and what the results mean, but if you were unable to attend, or want to listen again, a video of the presentation is now available [here](#) on the school website. Parents' evening is a good opportunity for you to discuss these assessments with your child's teacher.

Yours sincerely,

Mr S J Bartholomew
